Provider Profile

Information provided by the provider describing their agency:

Hartford Psychological Services is a multidisciplinary private practice organization that is composed of various professions including psychologists, social workers, speech and language specialists, as well as psychiatrists. Specialization is in assessment and the clinic has individuals with training in all facets of the assessment process including Psychological Testing, Behavioral Assessments (Applied Behavioral Assessment), Neuropsychological Assessment, Speech and Language Assessment, Sexual Offender and Risk Assessment, Fire-setting Assessment, Substance Abuse Assessment and Child Custody Assessment. Therapeutic interventions include behavioral programming, anger management counseling services, forensic programming including fire-setting treatment. This facility also provides specialized ADHD assessment programming using the Q-ADHD system which is the only FDA approved objective measure of ADHD. Services can be provided in our offices or can be provided on an as needed basis in the community.
